4. MATTERS ARISING

The Clerk reported refunding to install three new village signs has been successful with NCC Parish Partnership Scheme.

The Chairman reported Norfolk Archaeological Trust have undertaken their survey concerning the introduction of car parking charges at the Fort. The Trust did not use Village Voice to promote the survey as they stated they wanted to focus on the local community. There has been two more incidents of vandalism on the Fort one being particularly bad, Natalie Butler is meeting with the Police following this. There is concern that individuals with large nets have been spotted at the Fort, it is thought they may be trying to catch ground nesting birds or steal their eggs. It was agreed if anyone sees this they must report immediately to the Police.

Borough Cllr Myers reported he has been dealing with a complaint concerning kerbside parking and a second complaint about people spiting in the street.
